ACADEMY OF DANCE

# Classes

**Ballet:** Classical training, with dancers engaging in adagio, allegro, leaps, and turns.

**Pre-Pointe/Pointe I:** Structured the same as the Ballet class, but with more emphasis on exercises to strengthen the feet and ankles.

**Jazz:** Dancers will begin with a thorough warm-up, isolation exercises and center work. This energizing class will emphasize agility, strength, flexibility and timing, as well as isolations, leaps, turns and other jazz combinations.

**Modern:** Dancers will focus on Horton, Graham, Dunham, etc techniques, to increase entrepreneurial skills, flexibility and transferability to other genres and styles of dance.

**Audition Prep:** Dancers will learn quick dance combinations in many genres such as ballet, jazz, contemporary, and hip hop. In addition, dancers will learn technique, leaps & turns, hair and makeup. All designed to equip the dancer with the knowledge and resources needed to become a successful and well-rounded dancer and auditioner.

**Specialty:** Topics include Acro, Hip Hop, Theater Dance, Pilates, Leaps & Turns, Injury Prevention, Nutrition, Theater Makeup

Come ready to dance!
